HEAD OFFICE: NO. 6 ST. ANDREW SQUARE, EDINBURGH.

THE PREMIUMS are so moderate that, at usual ages for Assurance, £1200 or thereby may generally be secured from the first for the yearly payment which usually would elsewhere assure (with Profits) £1000 only—equivalent to an immediate and certain Bonus of 20 per cent.

THE WHOLE SURPLUS goes to the Policy-holders on a system at once safe and equitable—no share going to those by whose early death there is a loss to the common fund.

Examples of Premiums for £100 at Death (with Profits).

Surplus at last Investigation, £1,581,000.

Over 60 per cent. of the Members who died during last Septennium were entitled to Bonuses which, notwithstanding that the Premiums do not as a rule exceed the non-profit rates of other Offices, were, on the average, equal to an addition of over 50 per cent. to the Original Assurances.

## RATES OF POSTAGE.

## INLAND LETTERS AND BOOK PACKETS.

For a letter not above 4 oz.....1d. }  
For a book packet not above 2 oz.....½d. } Every additional 2 oz.....½d.

If posted unpaid chargeable on delivery with double postage; if insufficiently paid, with double the deficiency.

Maximum size 2 feet in length, 1 foot in width, or 1 foot in depth, unless sent to or from a Government office.

Postage, amounting to £1 and upwards, on Inland Letters, &c., and Parcels may be prepaid at the Head Office in money instead of stamps.

## INLAND NEWSPAPERS.

For each Newspaper.....1d.

The publication must first have been accepted as a newspaper by the Postmaster-General, and have been placed on a register at the General Post Office, from which it is liable to be removed, either through the non-renewal of the registration fee, 5s., year by year, or in consequence of any change which may deprive it of the characteristics of a newspaper.

A newspaper, or a packet of newspapers, posted unpaid is chargeable with double postage, if insufficiently prepaid, with double the deficiency.

Every newspaper must be posted either without a cover, or in a cover entirely open at both ends, so as to admit of easy removal for examination.

If this rule be infringed, the newspaper is treated as a letter.

Every newspaper must be so folded as to admit of the title being readily seen.

A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.

## INLAND PARCEL POST.

1 lb., 3d., then 1d. per lb. up to a weight of 11 lbs. which is 1s.

(10 lbs. and 11 lbs. charged 1s.).

Maximum weight.....11 lbs. Length.....3 ft. 6 in.

Length and girth combined .....6 ft. 0 in.

Parcels must be taken into a Post Office and handed over the counter. The words "Parcel Post" must appear on every parcel.

If a packet bearing the words "Parcel Post," or otherwise marked for

transmission as a parcel, is not posted in accordance with this regulation, it is treated as a letter, if it is fully prepaid. If it is not fully prepaid at the letter post rate, it will be treated as a parcel, and will be charged on delivery with a fine of 1d., together with the deficient postage, if any, at the parcel post rate.

Parcels containing fish, game, meat, eggs, &c., or knives, or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted unless in bottles or cans securely stoppered; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused.

Parcels known to contain a letter, packet, or parcel intended for delivery at an address other than that borne on the parcel itself are prohibited.

Parcels addressed to a Post Office to be called for are kept three weeks. At the end of one week, if the parcel bears on the outside the sender's name and address, a notice of the fact that the parcel has not been delivered is sent to him.

Parcels addressed to a ship are kept one month.

If, however, such a parcel contains perishable matter it is kept only 48 hours; and should it become offensive, it may be disposed of at any time as the Postmaster-General may direct.

It is most desirable that the name and address of the sender should appear on the outside of every parcel.

#### INLAND REGISTRATION AND COMPENSATION.

The Postmaster-General will (not in consequence of any legal liability, but voluntarily, and as an act of grace) subject to the rules as to posting and packing, give compensation up to a maximum limit of 120*l.* for the loss and damage of Inland Registered Postal Packets of all kinds upon prepayment of a fee in addition to the postage. This fee either consists of or includes in each case the ordinary registration fee of 2*d.*; and the scale of fees, and the respective limits of compensation are as follows:—

## Foreign Telegraph Money Orders.

Money may be transmitted by Telegraph Money Order to the following countries:—

Certain offices only in Algeria, Egypt, France, Italy, Luxemburg, Roumania and Sweden.

Any place in Austria, Belgium, Germany, Holland, \* Hungary, \* Norway and Switzerland.

The charges are—a money order commission at the rate for orders payable abroad; the cost of a telegram of advice at the rate per word for telegrams for the country in which the order is to be paid; and a supplementary fee of 6d. per order.

Money Orders do not require a receipt stamp.

Although at the end of twelve months from that in which it was issued, a Money Order, if still unpaid, becomes legally void, nevertheless, when a good reason can be given for the delay in presenting it, an application for payment, subject to a certain deduction, is entertained.

No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time.

After once paying a Money Order, by whomsoever presented, the Office is not liable to any further claim.

\* Ordinary and Telegraph Money Orders may be drawn on any place in Hungary and Norway, but if there is no telegraph office at the place of payment the order will be sent to the payee by post from the nearest telegraph office.

The person to whom a Postal Order is issued *must*, before parting with it, fill in the name of the person to whom the amount is to be paid, and *may* fill in the name of the Post Office at which the amount is to be paid. The person so named must, before payment can be made, sign the receipt at the foot of the Order, and must also fill in the name of the Office of Payment, if that has not been already done.

Every person to whom a Postal Order is issued should tear off and retain the counterfoil. Its production will facilitate enquiry if the Order should be lost.

#### POST-OFFICE SAVINGS BANKS.

These banks are established under the provisions of the Act 24 Vict., cap. 14, intituled, "*An Act to grant additional facilities for depositing small Savings at interest, with the Security of the Government for the due Repayment thereof,*" and are open daily during the hours appointed for money order business for the receipt of deposits of one shilling, or any number of shillings, subject, of course, to the limitations of amount prescribed in the Acts previously in force for Savings Banks.

Deposits are received of any sums not less than a shilling or more than £50 in one year, and when the deposit reaches £1, interest at the rate of 6d. a year on each pound deposited is given.

Limit of deposits, £200, inclusive of interest; except deposits for Charitable Societies, the limit being £100 in one year, or £300 in all.

#### PURCHASE OF GOVERNMENT STOCKS.

Any depositor in the Post-Office Savings Bank may invest any sum up to £200 in Government Stocks at the current price of the day, and may sell at the same. The commission for buying or selling is, not exceeding £25, 9d.; exceeding £25 and not exceeding £50, 1s. 3d.; exceeding £50 and not exceeding £75, 1s. 9d.; exceeding £75 and not exceeding £100, 2s. 3d. and exceeding £100 and not exceeding £200, 2s. 9d.

The amount of Government Stocks which any one person can buy in a year must not exceed £200, and the whole amount which he can hold in such Stocks must not exceed £500.

#### GOVERNMENT INSURANCES AND ANNUITIES.

Life insurance for any amount not less than £5 or more than £100 may be effected by any person not over the age of 65 years and not under the age of 14 years; or, if the amount does not exceed £5, not under the age of 8 years. Immediate or Deferred Annuities are granted for any amount not less than £1 or more than £100 to any person not under the age of 5 years. The persons whose lives are insured, or to whom Annuities are granted by the Postmaster-General, have direct Government security for the payment of the money at the proper time.

Forms of proposal for the insurance of lives and the purchase of Annuities, and information as to filling them up, may be obtained at any Post Office Savings Bank.

#### Post-Office Telegraphs.

##### INLAND TARIFF.

The charge for Telegrams throughout the United Kingdom is 6d. for the first 12 words, and  $\frac{1}{2}$ d. for each additional word. Addresses are charged for.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error, by being signalled back from each office at which they are received to the office from which they are forwarded. The charge for repetition is one half the ordinary tariff; a fraction of a halfpenny being reckoned as a halfpenny.

The cost of a reply not exceeding forty-eight words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of twopence per copy. Each London Postal District is regarded for this purpose as forming a separate Delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus— $\frac{1}{2}$  counts as one word, and  $10\frac{1}{2}$  as two.

All Telegrams for delivery within three miles of the office of delivery, or within the town postal delivery in the case of a Head Post Office—free. For distances beyond the free delivery the charge is 3d. per mile, or part of a mile; calculated from the office door.
